\$100,000 REWARD

The Ministry of Attorney General and the Vancouver Police Board have authorized a reward of up to \$100,000 for information leading to the arrest and conviction of the person or persons responsible for the unlawful confinement, kidnapping, or murder of any or all of the listed women, missing from the streets of Vancouver. Upon the arrest and conviction of a person or persons responsible for the unlawful confinement, kidnapping, or murder of any one or more of the women listed as missing in the accompanying reward poster, a reward will be decided by the Vancouver Police Board, in its sole discretion, and that decision is final, binding and not reviewable.

Only those people who come forward and volunteer information which is received by the Vancouver Police Department or the Missing Women Task Force on or before December 31, 2007 will be eligible to receive a reward.

Any persons having information regarding the unlawful confinement, kidnapping or murder of any of the missing women listed in this poster are requested to communicate that information immediately to the Vancouver Police Department, Missing Persons Unit or the Missing Women Task Force.
